

Music Monday: A Magic Spell

A Magic Spell
Write a magic spell! First, decide what you want the magic spell to do. Next:
1. Come up with some magic words! They can be real words, or totally imaginary.
2. Does your spell need any weird potion ingredients? What are they? Write some down in your spell.
3. Does the spell make a sound when it's finished? BOOM? WHOOSH? PLPLPLBLLTH? Finish the spell with the sound it makes.
