# MYTHIC CONSTELLATION

A constellation is a group of stars that are linked together to represent a character from a myth. The Ancient Greeks saw some of their favorite characters when they looked at the sky. What do YOU see?

WHO or WHAT is the character that is represented in the constellation?

What are their strengths? Weaknesses?

Draw a constellation by connecting stars (dots) to form a stick figure, then draw the picture around it. If there isn't a star where you want one, just draw one in!

Name of Constellation:

Story Time! On the back, or on another sheet of paper, use the CONSTELLATION you drew as the MAIN CHARACTER for a story!

- Start with "Once there was..." and describe the MAIN CHARACTER (That's the CONSTELLATION!)
- Give the MAIN CHARACTER a big PROBLEM they need to SOLVE (This could be a MONSTER!)
- Feel free to use magic, mythical creatures, magical objects, or other myth elements in your story!
