Welcome to our Word Salon

In the song "Fun Crazy Weird Hair Store," based on a story by a kid named Sylvia from New Jersey, there is a salon with a menu of options for hairstyles that are all super silly. It sounds like a place we definitely want to go, but we can't picture what the hairstyles look like! Let's think of ways to be even more descriptive with a **Word Salon Menu!**

What EXACTLY makes these styles SILLY? Is it the **color**? The **length**? The **style**?

Color Menu

blue, teal, red, orange, green, rainbow, rose gold, copper, glitter, platinum blonde, ultraviolet, infrared, grey, lavender, mermaid, silver, highlights, frosted tips, balayage, SOMETHING ELSE TOTALLY FUN?

Length Menu

buzz cut, bob, chin length, as long as a football field, one millimeter, foot length, giraffe neck length, as long as a lion's mane, as tall as the Empire State Building, SOMETHING ELSE TOTALLY WILD?

Style Menu

bangs, mullet, bouffant, flat top, braid, French twist, bowl cut, crown braid, spiky, mohawk, double buns, finger waves, mop top, ringlets, slicked back, updo, bouncy curl, SOMETHING ELSE TOTALLY WEIRD?

To create your look, combine these words to create a SILLY style from your own imagination! It's easy to do:

1. Pick one **color**, one **length**, and one **style**. Take words from our lists, or make up your own!
2. Draw a picture of a character with that color, length, and style of hair.
3. Label your picture by writing the 3 words you chose at the bottom.

For example: Green, Chin Length, and Bouncy Curl. What would that even look like!?
